

Guidelines for the news bulletin:

All students are expected to analyse the results of the survey on “media habits of young people” at their own school.

The students participating in the Edinburgh meeting are expected to present the result in

a) a short **radio announcement** (5 min. max.)

or:

b) a short **report for a news programme on TV** (5 min. max.)

a) a short **radio announcement** (5 min. max.)

- summary of the results (no detail, major trends/developments, striking examples ...)
- short interview sequences (if available)
- personal commentary

b) a short **report for a news programme on TV** (5 min. max.)

- visual representation of results
- suitable posters, pictures, diagrams, ...
- short interview sequences (if available)
- film clips of interviews

Important:

The **sound** quality is essential. All the filming and recording must be done in sound-proof/quiet rooms (avoid interference/noise!)..
